

PATIENT PORTAL REGISTRATION

Welcome! Please sign up on the patient portal 48 hours prior to your appointment.

You will receive an e-invite from 'noreply@patientally.com'. If you have not received an invitation email,

- Check your spam folder.
- Request us to re-send an invitation.

Step 1: Click on the invite link or Access the Patient Ally Website

☐ ☆ Patient Ally 2

Patient Portal: Sameer Ohri MD Inc. - Hello JOYCE, Sameer Ohri, MD, and CRIS...

08:16

Open a web browser and navigate to www.patientally.com.

Step 2: Begin the Registration Process

On the homepage, click on the "Register".

Welcome to Patient Ally!

Before you can connect with your provider and access your medical records, you'll need to create an account or link an existing one.

PATIENT PORTAL REGISTRATION

Step 3: Enter Personal Information

Fill in the required personal details, including:

- First and Last Name
- Date of Birth
- Address
- Email Address
- Phone Number

The screenshot shows a registration form with a green sidebar on the left and a white form area on the right. The sidebar contains a white person icon, the text "Create your account", and "Please enter your personal information." The form area is titled "Personal Information" and includes the following fields:

- First Name:** A text input field with a red border and the error message "First Name is a required field." below it.
- Last Name:** A text input field with a red border and the error message "Last Name is a required field." below it.
- Address:** A text input field with a red border and the error message "Address is a required field." below it.
- City:** A dropdown menu with "CORONA" selected.
- State:** A dropdown menu with "California" selected.
- Zip:** A text input field with "92879" entered.
- Date of Birth:** A date selection field.

Step 4: Create Login Credentials

- Choose a unique Username.
- Create a strong Password following the specified criteria.
- Confirm the password by entering it again.

Step 5: Verify Identity

- You may be prompted to answer security questions or enter a verification code sent to your email or phone.
- Complete the verification process as instructed.
